Re:	Patent Application for Nyhus	Dated:	March 5, 2004
Serial No.:	09/811,049	Art Unit:	1638
Filed:	March 15, 2001	Examiner:	Ashwin Mehta
For:	Inbred Corn Line G4901	Action:	SUBSTITUTE CORRECTED AMENDMENT AFTER FINAL RESPONSE

To: Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450

This is a substitute and corrected after final response. Yesterday, this after final response was faxed into the patent office. Unfortunately, this response was marked with the incorrect serial no. The marked number was 811,048 and the correct number was 811,049. Additionally, upon review of the amendment claim 12 had not been correctly amended. Thus the original corrected response with the newly substituted amendment is being submitted to the office. I apologize for the inconvenience that this may have caused.

The applicant's attorney kindly requests that the examiner reconsider the claims as now amended and grant allowance of these claims.

Respectfully submitted,
